TRUSTEÈS' REPORT FOR THE YEAR ENDED 31 AUGUST 2016

The trustees present their report and accounts for the year ended 31 August 2016.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Companies Act 2006 and the "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014". These financial statement comply with the charity's governing documents.

This report is a Directors report as required by s417 of the Companies Act 2006.

Structure, governance and management

The 948 Sports Foundation is a charitable company limited by guarantee, incorporated on 15 August 2001 and registered as a charity on 30 August 2001. The company was established under a Memorandum of Association, which established the objects and powers of the charitable company and is governed under its Articles of Association.

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

Geraint John Bryan Short Peter Dredge Nigel Strofton Angela Byrne Sandy Bell Robin Hardwick Paul Brewster

The power of appointment of new trustees is vested in the existing board of trustees.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The 948 Sports Foundation's activities covers St Albans and the surrounding area.

The trustees have assessed the major risks to which the Foundation is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The 948 Sports Foundation's objects are;

- (a) To advance the education of young persons attending schools, colleges and universities by ensuring that due attention is given to their physical development and provide facilities to encourage participation by such persons in physical recreation and sport;
- (b) To organise or provide facilities for recreation with the object of improving their conditions of life;
- (c) To further the charitable purposes of St Albans school;
- (d) Such other related charitable purposes as the trustees shall think fit.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2016

Achievements and performance

The Trustees continue a programme of quarterly meetings to consider grant applications.

In the year to which this report relates, the trustees held four meetings and considered applications from 28 local schools, sports clubs and individuals. Grant awards of £251,497 have been made from commencement to date, of which £18,972 were made in the year to 31 August 2016.

Public Benefit

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the charity.

The Trustees consider that the Foundation satisfies the Public Benefit test by giving young people in the St Albans and surrounding areas the opportunity to improve their participation in sport, and by considering giving support for projects that demonstrate that they are concerned with:

- · Provision of equipment or facilities
- Improved participation through specialist training or other means to achieve excellence
- · Activity within a group or team environment

Applications are welcomed from individuals, organisations and educational establishments who are involved in the organisation and provision of facilities which enable and encourage participation by young persons.

Financial review

The charity had unrestricted funds of £620,958 at the balance sheet date. These funds are held in order to generate sufficient income to fund grant payments. It is the policy of the 948 Sports Foundation that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the 948 Sports Foundation's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Asset cover for funds

The assets are sufficient to meet the charity's obligations on a fund by fund basis.

Plans for the future

The 948 Sports Foundation continues to invite applications for grant funding from potential beneficiaries in the St Albans and District area. This will be achieved by promoting its presence as a grant-awarding organisation on its website www.the948sportsfoundation.org, and through other media, contacts and activities.

The Trustees' Report has been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

This report was approved by the Trustees on 26. 4.17 and signed on their behalf by:

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2016

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2016

13. FIRST TIME ADOPTION OF FRS 102

It is the first year that the company has presented its financial statements under SORP 2015 and FRS 102. The following disclosures are required in the year of transition. The last financial statements prepared under previous UK GAAP were for the year ended 31 August 2015 and the date of transition to FRS 102 and SORP 2015 was therefore 1 September 2014.

Reconciliations and descriptions of the effect of the transition to FRS 102 and SORP 2015 on total funds and net income/(expenditure) for the comparative period reported under previous UK GAAP and SORP 2005 are given below.

RECONCILIATION OF TOTAL FUNDS	1 September 2014 £	31 August 2015 £
Total funds under previous UK GAAP 2014 Market value adjustment 2015 Market value adjustment	538,954 50,346 -	544,554 50,346 (23,545)
Total funds reported under FRS 102	589,300	571,355
Reconciliation of net (expenditure)		31 August 2015 £
Net income previously reported under UK GAAP 2015 Market value adjustment		5,600 (23,545)
Net movement in funds reported under FRS 102		(17,945)

Explanation of changes to previously reported funds and net income/expenditure:

Under previous UK GAAP and SORP 2005 the Company's Investments were held at historical cost. However, the requirements of FRS 102 and SORP 2015 require the Company's Investments be stated at market value. The above adjustments for 2014 and 2015 respectively account for the difference between the historical cost of the investments and the market value at the respective balance sheet dates.
